

Funding Consideration (OPTIONAL)

Applicant Name: _____

The information provided on this form does not impact admissions decisions. This additional information will be used to guide us in determining a match for potential sources of funding at the School (e.g. fellowships/scholarships); fellowships and scholarships will be used to help support the School's recruitment efforts to ensure diversity within the School. Please complete the FAFSA (or equivalent) as soon as possible; this is a requirement for consideration as financial need is often a determining factor for many awards. Should you be selected for an award you will be notified by the Scholarship Committee by email. Please explore the School's [website](#) for additional options for funding your education (e.g. graduate assistantships, traineeships, scholarships for continuing students).

Please respond to any/all of the prompts below that you feel applies to you; please limit each response to 300 words or less.

Financial Need

Please provide any relevant information regarding your financial need that might not otherwise be captured by the FAFSA (or equivalent). Please describe any unique situations and/or hardships that may help us better understand your financial need.

Unique Characteristics

There are a variety of qualities, characteristics, and life experiences that applicants bring – please share how you add to the diversity of the school's learning community and the social service workforce.

Innovations in Social Work

The School is invested in realizing social sector impact by nurturing leaders who will tackle our most challenging social issues through creative, sustainable and cross-sector innovations. What are some ways you demonstrated innovation in the social service sector? How did this innovation make an impact?

By submitting this form I am electing to be considered for financial supports, beyond need-based aid, available through the School of Social Work. I understand that there may be additional opportunities available where I would need to apply directly to be considered.
