

Alice Cagampang Ryan, LICSW

EDUCATION

Western Michigan University, Masters of Social Work, June 1997

University of Michigan, Bachelors of Science in Biology and Religious Studies, December 1994

PROFESSIONAL EXPERIENCE

Seattle Children's Hospital, Seattle, WA 2002-Present

Journey Program Clinical Manager 2016-Present

Senior clinician providing specialized bereavement support in pediatric hospital setting. Provides advanced clinical services and leadership for the hospital through direct services to patients, families, staff, and community. Provides oversight of day-to-day operations, and program development for the Journey Program. Provides hospital wide and community wide training in bereavement competencies and evidence-based grief therapy interventions. This leadership role actively promotes culturally appropriate family-centered care and hospital-wide collaboration around the scope and delivery of bereavement services.

University of Washington, School of Social Work, Seattle, WA

2010-2016

Lecturer, Field Faculty

Began as a contracted roving field instructor in 2010 and eventually provided field education instruction, as faculty, for Foundation and Advanced year MSW students during the full academic year, including summer quarter. Traveled to each practicum site and provided guidance and academic support for each student to reach specific learning goals for each site while complying with the 10 core competencies of the MSW curriculum, while providing support to the assigned Field Instructor in the community agency. Selected responsibilities included:

Practicum/Field Coordinator: Responsible for placing students in practicum

- Interviewed students for their Foundation and Advanced Years and individualized student field placements for educational fit
- Recruited agencies and trained new practicum instructors in field education

Practicum/Field Liaison: Served as an advisor and consultant to agencies and students

- Assigned to follow students placed in specific agencies based on background and program; closely affiliated with Health and Multigenerational Practice with Elders Concentrations. Consulted with students in the Mental Health and Children, Youth and Families Concentration.
- Served as a resource and linkage between the UW SSW and practicum sites
- Monitored practicum experience through contact with both agency and student
- Met on-site with students and Practicum Instructors at least twice during the academic year
- Assisted with development of Practicum Learning Contract and approved quarterly Evaluations
- Mediated issues and concerns between students and Practicum Instructors
- Worked with students to identify a new site if re-placement is necessary

Field Instructor Training Lead: Provided training to new field instructors and task supervisors. Provided consultation to agencies interested in creating field education opportunities to their constituents

Additional faculty responsibilities include:

- Co-chair Admissions Committee
- Faculty Council
- Auction Committee
- Healthy Generations Center of Excellence Team
- Southwest Asian and Pacific Islander Student Affinity Group Faculty Advisor
- Faculty Advisor for the Multigenerational Practice with Elders Concentration
