CURRICULUM VITAE

Clara Berridge, Ph.D., M.S.W.
University of Washington

School of Social Work
4101 15th Ave NE
Seattle, WA 98105
clarawb@uw.edu

EDUCATION

2014	Ph.D. Social Welfare	University of California, Berkeley *University Designated Emphasis in Women, Gender and Sexuality*
2006	M.S.W.	University of Washington, Seattle *Policy Practice Concentration* *Multigenerational Family Practice Specialization*
2003	B.A. Sociology	Kalamazoo College, Kalamazoo, MI, high honors

POSTDOCTORAL TRAINING

2014-2016   AHRQ Postdoctoral Research Fellowship, Center for Gerontology and Healthcare Research, School of Public Health, Brown University

ACADEMIC APPOINTMENTS/AFFILIATIONS

2022-   Adjunct Associate Professor, Evans School of Public Policy and Governance, University of Washington
2021-   Associate Professor, School of Social Work, University of Washington
2016-   Core Faculty, Disability Studies Program
2016-   Faculty Affiliate, Center for Studies in Demography and Ecology
2016-2021   Assistant Professor, School of Social Work, University of Washington

HONORS

2022   First author Best Paper Award, Designing Interactive Systems Conference
2022-   Katherine Hall Chambers Scholar, School of Social Work, University of Washington
2020   First author Mather Institute Innovative Research on Aging Bronze Award: Leadership, staff empowerment and the retention of nursing assistants: findings from a survey of U.S. nursing homes. *J Am Med Dir Assoc*.

2019	Carroll L. Estes Rising Star Award, The Gerontological Society of America Social Research, Policy, and Practice Section, in acknowledgment of outstanding early career contributions in social research, policy, and practice
2014	James and Khadja Midgley Award for Outstanding Doctoral Dissertation, UC Berkeley School of Social Welfare
2012	Edward Hildebrand Graduate Research Fellowship, UC Berkeley Canadian Studies
2009-12	University of California Eugene Cota-Robles Fellowship
2011	Association for Gerontology Education in Social Work Pre-Dissertation Award
2007	Grand Prize, team member, Portland Courtyard Housing Competition International design competition of affordable housing ownership
2004-05	University of Washington Pre-Masters Research Fellowship
2003	Phi Beta Kappa

PREDOCTORAL POSITIONS AND TRAINING

2011-13	Graduate Student Researcher, UC Berkeley Center for the Advanced Study of Aging Services
2010-11	Graduate Student Researcher, UC Berkeley Center for Information Technology Research in the Interest of Society (CITRIS)
2008-09	Research Coordinator, University of Washington Department of Medicine, Division of Gerontology and Geriatric Medicine and Veterans Affairs Puget Sound
2006-08	Senior Housing Program Director, Northwest Center for Cooperative Development, Olympia, WA
2007-08	Selected Participant, Leadership Development Program of the King County Housing Development Consortium, Seattle, WA
2003-07	Research Assistant (03-05)/Coordinator (06-07), University of Washington School of Social Work
2005-06	Advanced MSW Practicum Research Assistant, Center for Traditional Medicine/Center for World Indigenous Studies, Olympia, WA

INVITED PRESENTATIONS

(Dec. 1, 2022). Doing ethics: power and control in use decisions. PennAITech Webinar Series. University of Pennsylvania

(Oct. 20, 2022). Overview the datafication of care. Care and Technology Convening. Data & Society

(Sept. 7, 2022). Keynote presentation. *Confronting Power in Our Conversations about Ethics in Dementia Care Technologies.* The Future of Assistive Technologies in Dementia Care – An Interdisciplinary Dialogue. Delmenhorst, Germany

(July 21, 2022). Panel speaker. National Academies of Sciences, Engineering, and Medicine workshop, [Advancing Diagnostic Excellence for Older Adults](). Irvine, California

(June 12, 2022). *Monitoring and surveillance: ethical issues in elder care technology use*. King County Elder Abuse Council, Seattle, Washington

(May 20, 2022). *Advance Planning for Technology Use in Dementia Care: Feasibility and Preliminary Efficacy of a Novel Self-Administered Intervention.* Washington Alzheimer's Disease Research Network

(Sept. 7, 2021). *Ethical issues in remote monitoring for elder care.* Washington Adult Protective Services

(March 18, 2021). Keynote Speaker: *Older adults and their children, on in-home surveillance and monitoring systems*. Adding Age to AI. Hosted by The Future of Privacy Forum and AARP

(January 15, 2021). *Dementia-Care Technologies: Mitigating Risk in Design and Implementation.* Geriatric Grand Rounds. Harborview Medical Center – University of Washington. Seattle, Washington

(May 27, 2020). *Ethical issues in emerging elder care technology*. Aging Life Care Associates. (90-minute webinar presentation for 130 attending geriatric care mangers)

(February 27, 2020). *Surveilling vulnerable adults: Ethical and legal implications for the use of technology.* Aging Wisdom law lecture for Continuing Law Education Credits. Seattle, Washington

(October 22, 2019). *Ethical implications of remote monitoring technologies for elder dare.* Singapore-Berkeley Lecture Series on Emerging Ethical Issues in Social Work

(April 8, 2019). Doctoral Colloquium. *Conflicting perspectives and ethical problems of monitoring technologies for elder care.* School of Social Service Administration, University of Chicago

(Feb 1 and 2, 2019). *Ethical implications of technologies for elder care and memory loss.* Frye Art Museum and Centrum Creative Aging Conference. Seattle and Port Townsend, Washington

(March 27, 2018). *The importance of understanding and expecting diverse perspectives on remote monitoring.* Webinar for the Transdisciplinary Working Group of AGE-WELL, the pan-Canadian research network on aging and technology

(March 9, 2018). *Do adult children and parents agree about the risks and benefits of passive monitoring?* Council Meeting of Oregon Center for Aging and Technology, Oregon Health & Science University, Portland, Oregon

(September 29, 2017). *Advancing the conversation on social and ethical aspects of remote monitoring technologies in elder care.* Oregon Gerontological Association Aging & Technology Conference. Keizer, Oregon

(September 15, 2017). *Remote monitoring technology to support caregiving – dyadic perspectives and ethical considerations.* Elder Friendly Futures Conference. Lynnwood, Washington

(September 14, 2015). *Privacy intact? Boundary management and why it matters for older adults.* Northeastern University, Center for Technology in Support of Self-Management & Health Seminar Series. Boston, Massachusetts

(April 29, 2015). *Opportunity for boundary management: A technology design and practice principle to secure the privacy of older adults.* MIT AgeLab. Cambridge, Massachusetts

(April 24, 2015). *Practices of "selling" passive monitoring to older adults in independent living: Social workers on fraught terrain.* Active Ageing Research Group, Avans University of Applied Science. Breda, Netherlands

(Oct 8, 2014). *Breathing room in monitored space: Opportunities for privacy in boundary management.* Center for Gerontology Brown Bag Series, Brown University, Providence, Rhode Island

(Sept 18, 2014). *Negotiating independence? The ethical implications of electronic monitoring for practice and policy.* Workshop: NASUAD National Home and Community Based Services Conference. Arlington, Virginia

PEER-REVIEWED ORAL PRESENTATIONS

Berridge, C. **& Turner, N.*** (Nov 4, 2022). *Pilot Study of a Self-Administered Advance Planning Tool for Technology Use with Dementia Care Dyads.* Gerontological Society of America Annual Meeting.

Berridge, C. (June 21, 2022). *Addressing Ageism in AI.* Panel. ACM FAccT (ACM Conference on Fairness, Accountability, and Transparency). Seoul, Korea
