

Margaret Kuklinski, PhD

Social Development Research Group
School of Social Work, University of Washington
9725 Third Avenue NE, Suite 401
Seattle, WA 98115
email: mrk63@uw.edu

Education

- PhD Psychology, 1997, University of California, Berkeley, CA
Emphasis: Clinical and Community Psychology
- MA Psychology, 1992, University of California, Berkeley, CA
- AB Economics, *magna cum laude*, 1985, Harvard University, Cambridge, MA

Research and Intervention Interests

Positive youth development; prevention program dissemination, efficacy, and effectiveness in multiple settings and populations; prevention health economics (cost, cost-effectiveness, benefit-cost analysis), including methods to increase equity.

Professional Positions

- Associate Research Professor, School of Social Work, University of Washington 2021-
Assistant Director, Social Development Research Group, 2020-
School of Social Work, University of Washington, Seattle, WA
- Research Scientist, Social Development Research Group, School of Social Work, University 2010-2021
of Washington, Seattle, WA
- Research Associate, Depression Family Study, Department of Psychiatry, University of 1998-2001*
Washington, Seattle, WA
- Clinical Research Assistant, Data Analyst, Graduate Research and Teaching Assistant, 1991-1997
Department of Psychology, University of California at Berkeley, Berkeley, CA
- Research Associate, Putnam, Hayes, and Bartlett, Inc., Cambridge, MA 1985-1990

* *Professional leave from 2001-2009 to be my children's primary caregiver during their formative years.*

Leadership

Prevention Science and Intervention

- Assistant Director, Social Development Research Group (SDRG), 2020-
School of Social Work, University of Washington, Seattle, WA
- Co-Principal Investigator, *The Interplay of Social, Normative, and Legal Environments and 2020-
Marijuana and ATOD Use from Late Childhood to Young Adulthood* (5R01DA044522-16,
Oesterle/Kuklinski) and administrative supplement *Proximal and Distal Pathways to Young
Adult Opioid Misuse* (3R01DA044522-16S1, Oesterle/Kuklinski)
- Elected Board Member and Secretary, Society for Prevention Research 2019-

Economic Evaluation of Preventive Interventions for Children, Youth, and Families

- Co-chair, Health Economics Working Group, NIDA HEAL Prevention Initiative 2020-

Member, Society for Prevention Research Mapping Advances in Prevention Science Task Force III, Advancing the Quality and Use of Economic Analysis in Prevention. Produced peer-reviewed standards paper: 2014-2018

Crowley, D. Max, Dodge, Kenneth A., Barnett, W. Steven, Corso, Phaedra, Duffy, Sarah, Graham, Phillip, Greenberg, Mark T., Haskins, Ron, Hill, Laura, Jones, Damon E., Karoly, Lynn, Kuklinski, Margaret R., Plotnick, Robert (2018). Standards of evidence for conducting and reporting economic evaluations in prevention science. *Prevention Science*, 19(3), 366-390.

Member, Consensus Panel, National Academy of Sciences, Engineering, and Medicine: The Use of Economic Evidence to Inform Investments in Children, Youth, and Families. Produced peer-reviewed guidance document: 2014-2016

National Academies of Sciences, Engineering, and Medicine (2016). *Advancing the Power of Economic Evidence to Inform Investments in Children, Youth, and Families*. Washington, DC: The National Academies Press.

Guest Editor, Special Issue, *Benefit-cost analysis of prevention and intervention programs for youth and young adults*, *Journal of Benefit-Cost Analysis*, 6(3). 2015

Parent-focused Prevention in Pediatric Primary Care

Principal Investigator, *A Pragmatic Trial of Parent-focused Prevention in Pediatric Primary Care: Implementation and Adolescent Health Outcomes in Three Health Systems* (5UH3AT009838-03, Kuklinski/Sterling) and administrative supplement *Extending the Delivery of Guiding Good Choices to Spanish-Speaking Parents in Primary Care* (3UH3AT009838-02S1, Kuklinski/Sterling) 2018-

Co-Chair, Prevention in Pediatric Primary Care: Strategies for Expanding the Reach of Family-focused Prevention Programs to Achieve Broad Public Health Impact. Workshop conducted at the 25th annual meeting of the Society for Prevention Research, Washington, DC. 2017

Honors and Recognition

Elected Board Member and Secretary, Society for Prevention Research 2019-
Invited Member, Mapping Advances in Prevention Science Task Force III, Advancing the Quality and Use of Economic Analysis in Prevention, Society for Prevention Research 2014-2018
Invited Member, Consensus Panel, The Use of Economic Evidence to Inform Investments in Children, Youth, and Families, National Academy of Medicine 2014-2016
Investigator, Professional Re-entry Supplement to the *Community Youth Development Study: A Test of Communities That Care - Economic Analysis of Communities That Care* (3R01DA015183-08S1, Hawkins), National Institute on Drug Abuse 2010-2013
National Research Service Award Pre-doctoral Fellowship, National Institute of Mental Health 1993-1997
Regents Fellowship, Department of Psychology, University of California at Berkeley 1991-1992
John Harvard Scholar, Harvard University 1984-1985

Research Support and Grant Writing

Funded

Proposed Transition of the Results First Assets to the PSU Evidence-to-Impact (RFP, Crowley/Jones, Pew Charitable Trusts). Total funding: \$3,600,000. Role: Advisory Board. 6/1/21-5/31/24

| | |
|--|------------------|
| <i>Culture, Longitudinal Patterns, and Safety Promotion of Handgun Carrying Among Rural Adolescents: Implications for Injury Prevention</i> (Rowhani-Rahbar, CDC). <u>Total funding:</u> \$1,700,000. <u>Roles:</u> Site-PI, Co-Investigator. | 9/1/20-8/31/23 |
| <i>The Interplay of Social, Normative, and Legal Marijuana Environments and Marijuana and ATOD Use from Late Childhood to Young Adulthood</i> (3 R01 DA044522-16, Oesterle/Kuklinski, NIDA). <u>Total funding:</u> \$4,200,000. <u>Roles:</u> Co-PI, Project Director. | 9/1/18-6/30/23 |
| <i>Coach Facilitated Mobile Parent-Training Program for Women with Cognitive Delays who are Mothers of Infants.</i> (R324A200153, Feil/Davis/Landry, IES). <u>Total funding:</u> \$1.400,000. <u>Roles:</u> Advisory Board Member/Consultant. | 7/1/20-6/30/23 |
| <i>Motivational Interviewing Skills for Coaches (MISC)</i> (R32A190173, Scott/Frey, IES). <u>Total funding:</u> \$1.400,000. <u>Role:</u> Advisory Board Member/Consultant. | 7/1/19-6/30/23 |
| <i>A Pragmatic Trial of Parent-focused Prevention in Pediatric Primary Care: Implementation and Adolescent Health Outcomes in Three Health Systems</i> (4 UH3 AT 009838-02, Kuklinski/Sterling, NCCIH). <u>Total funding:</u> \$6,600,000. <u>Role:</u> PI. | 5/15/18-5/31/23 |
| <i>Using SMART Design to Identify an Effective and Cost-Beneficial Approach to Preventing OUD in Justice-Involved Youth</i> (1 UG DA050189-01, Ahrens/Haggerty, NIDA). <u>Total funding:</u> \$1,300,000. <u>Role:</u> Co-Investigator. | 9/30/19-8/31/21 |
| <i>Proximal and Distal Pathways to Young Adult Opioid Misuse</i> (3 R01 DA044522-16S1, Oesterle/Kuklinski, NIDA). <u>Total funding:</u> \$100,000. <u>Roles:</u> PI, Project Director. | 7/1/19-6/30/21 |
| <i>Extending the delivery of Guiding Good Choices to Spanish-speaking parents in primary care: Administrative supplement to the Guiding Good Choices for Health study</i> (3 UH3 AT 009838-02S1, Kuklinski/Sterling, NCCIH). <u>Total funding:</u> \$100,000. <u>Role:</u> PI. | 7/1/19-5/31/21 |
| <i>Preschool First Step to Success: An Efficacy Replication Study</i> (R324A150221, Feil/Walker, IES). <u>Total funding:</u> \$3,500,000. <u>Role:</u> Consultant. | 7/1/15-6/30/19 |
| <i>Early Family Prevention of Adolescent Alcohol, Drug Use and Psychopathology</i> (5 R01 DA036832-1A1, Dishion/Shaw/Wilson, NIDA). <u>Total funding:</u> \$7,600,000. <u>Roles:</u> Economic Evaluation Scientist. | 5/1/14-4/30/19 |
| <i>Long-term Effects of Communities That Care on Young Adults from Small Towns</i> (Bridge funding: 2 R56DA044522-15, Oesterle/Hawkins, NIDA). <u>Total funding:</u> \$350,000. <u>Roles:</u> Project Director, Co-Investigator. | 5/1/17-8/31/18 |
| <i>Long-term Effects of Communities That Care on Young Adults from Small Towns</i> (2 R01DA015183-11A1, Oesterle/Hawkins, NIDA). <u>Total funding:</u> \$5,000,000. <u>Roles:</u> Project Director, Co-Investigator. | 9/1/13-4/30/17 |
| <i>Social Work Intervention Training for Maltreating Families of Infants, Toddlers</i> (5 R01 HD061362-05, Oxford, NICHD). <u>Total funding:</u> \$1,800,000. <u>Roles:</u> Investigator. | 8/20/10-06/30/17 |
| <i>Seattle Public Schools High School Graduation Initiative Evaluation</i> (Seattle Public Schools, Kuklinski). <u>Total funding:</u> \$470,000. <u>Roles:</u> PI. | 6/1/12-9/30/14 |
| <i>Economic Analysis Supplement: "The Community Youth Development Study: A Test of Communities That Care"</i> (5 R01 DA015183-08S1, Hawkins, NIDA). <u>Total funding:</u> \$320,000. <u>Role:</u> Investigator. | 7/1/10-6/30/13 |
| <i>Treatment of Depression in Parents: Impact on Children</i> (5 R01 MH057834-05, McCauley, NIMH). <u>Total funding:</u> <u>Role:</u> Clinical interviewer. | 9/10/98-5/31/03 |

A Longitudinal Look at Teacher Expectations (5F31MH10534-02, Kuklinski, NIMH) Total 10/1/93-3/31/97
funding: \$25,000. Role: PI.

Under Review

Randomized Controlled Trial of an Internet-Based Prevention Intervention for Young Children At-Risk for Functional Abdominal Pain (R01, Levy/Palermo, NICHD). Total 10/1/21-9/30/25
funding: \$4,000,000. Role: Investigator.

Delivering Evidence-Based Parenting Services to Families in Child Welfare Using Telehealth (R01, Oxford, NICHD). Role: Investigator. 10/1/21-9/30/25

In Preparation

Risk, protection, and substance use patterns in early adolescence during COVID: Evidence from general pediatric populations in California, Colorado, and Michigan (Administrative supplement to the Guiding Good Choices for Health study; 3 UH3 AT 009838-02S1, Kuklinski/Sterling, NCCIH). Total funding: \$100,000. Role: PI. Submission target: 7/2021.

Using a Community-based Prevention Framework to Increase State-level Scale-up of Evidence-based Interventions (R01, Oesterle, NIDA). Role: Investigator. Submission target: 7/2021.

Family-centered Prevention Delivered via eHealth to Support Reductions in Problem Behavior and Enhanced Academic Outcomes for Youth At-risk for Social and Behavior Problems (CFDA Number 84.324R, Stormshak, IES). Role: Consultant. Submission target: 8/2021.

Strengthening the Reach and Impact of Guiding Good Choices on Adolescent Mental Health: Development and Pilot Test of a Parent-focused Self-directed Digital Adaptation (R34, Boggs/Kuklinski, NIMH). Role: MPI. Submission target: 10/2021.

Mentoring and Selected Teaching Experience

Mentoring

- Tori Leder, MSW student, School of Social Work, University of Washington, practicum student 2021-
- Hannah Scheuer, doctoral student, School of Social Work, University of Washington, 2020-
Graduate Research Assistant, *Guiding Good Choices for Health Study* (Kuklinski/Sterling)
- Joey Merrin, PhD, Assistant Professor, Department of Human Development and Family Studies, 2020-
Texas Tech University, Society for Prevention Research Early Career Fellows Program
- Courtenay Morsi, PhD, Assistant Professor, Department of Counseling, Educational Psychology, 2020-
and Education Michigan State University, Society for Prevention Research Early Career Fellows
Program
- Daniel Gagnon, MSW MPH student, School of Social Work and School of Public Health, 2013-2015
University of Washington, Practicum Student, *Seattle Public Schools High School Graduation
Initiative* (Kuklinski).
- Doctoral students Chris Fleming, Kari Gloppen, Erin Harrop, Elizabeth B.K. Kim, and Valerie Shapiro; 2010-
Seattle University BA candidate Kristina Betz; Sewanee BA candidate Kaylei Goodine, *Community
Youth Development Study* (CYDS; Hawkins, Hawkins/Oesterle, Oesterle, Oesterle/Kuklinski) and
Guiding Good Choices.

Representative guest lectures and workshops

- Guest Lecturer, *Health Economics in Policy and Practice: Applications to Social Work,* 2021
Soc WI 573: Pro Seminar: Cross-Cohort Collaborative Research Career Development (Nurius),
University of Washington.
- Guest Lecturer, *Introduction to Economic Evaluation Methods: Lessons from a Benefit-Cost* 2020
Analysis of Promoting First Relationships®, Prev Sci 540: Effective Prevention Strategies II
(Salazar), Washington State University.
- Guest Lecturer, *Building the Economic Case for Prevention: Overview, Opportunities, and* 2019
Issues for the Field, SOCW 506: Social Welfare Research and Evaluation (Guttmanova),
School of Social Work, University of Washington.

Presentations

- Kuklinski MR (2021, April) *Guiding Good Choices for Health: Offering Universal Family-Focused Prevention to Parents of Adolescents in Pediatric Primary Care*. Prevention Science Methods Group Virtual Grand Rounds, Northwestern University.
- Kuklinski MR (2021, Jan) *Strategies for Increasing the Reach and Impact of Evidence-Based Prevention*. Leaders in Prevention Science Speaker Series, Social Development Research Group, School of Social Work, University of Washington.
- Kuklinski MR (Chair), Sterling SA., Daley M. (2020, May) Roundtable discussion: *Disseminating Evidence-Based Preventive Interventions in Pediatric Primary Care: Lessons from the NIH Healthcare Systems Research Collaboratory and Guiding Good Choices for Health Pragmatic Trial*. The annual conference of the Society for Prevention Research, Washington DC.
- Kuklinski MR, Sterling SA, Catalano RF. (2020, April) MPI Kuklinski was scheduled to present on GGC4H as part of a panel entitled *Guiding Good Choices: Adaptations for Context*. The Blueprints Conference, Denver, CO.
- Kuklinski MR, Sterling SA, Catalano RF. (2020, March) *Guiding Good Choices for Health (GGC4H): Supporting Teen Health and Wellbeing through Parent-focused Prevention in Pediatric Primary Care*. Presented at the quarterly meeting of the Washington State Prevention Research Sub-Committee.
- Kuklinski MR, Sterling SA, Catalano RF. (2019, May) *Guiding Good Choices for Health (GGC4H): Early Lessons from a Pragmatic Trial in Three Large Healthcare Systems*. The Society for Prevention Research Annual Conference, San Francisco, CA.
- Kuklinski MR, Oesterle S, Briney JS, Hawkins JD. (2018, May) *More Evidence That CTC Is a Good Investment: Benefit-Cost Analysis of Communities That Care Effects on Primary Intervention Outcomes at Age 23*. The Society for Prevention Research Annual Conference, Washington, D.C.
- Catalano RF, Kuklinski MR, Sterling SA. (2018, May) *Parents, Pediatricians, and Prevention: Pathways to Adolescent Health*. Presentation to the NIDA Clinical Trials Network, Bethesda, MD.
- Catalano RF, Kuklinski MR, Sterling SA. (2018, December) *Guiding Good Choices for Health (GGC4H): Testing the Feasibility and Effectiveness of Implementing Guiding Good Choices in Three Healthcare Systems*. NIH Collaboratory Grand Rounds.
- Kuklinski MR, Hawkins JD, Counts NZ. (2018, December) *Return On Investment In Parenting Programs Suitable For Delivery In Primary Care: A Systematic Review*. National Academy of Sciences Collaborative on Healthy Parenting in Primary Care.
- Kuklinski MR and Oesterle S. (2016, May). Community Prevention in Small and Rural Towns: A Comparison of Behavioral Health Problems in Young Adult Movers and Stayers at Age 21. In Oesterle, S. (Chair), *The Transition to Young Adulthood in Youth From Small and Rural Towns*. Symposium presented at the 24th annual meeting of the Society for Prevention Research, San Francisco, CA.
- Kuklinski MR (2015, December). Building the Economic Case for Prevention and Intervention for Children, Youth, and Families: Overview, Opportunities, and Issues for the Field. Invited Colloquium, Department of Psychology, Arizona State University.
- Kuklinski MR, Oesterle S., Hawkins JD., et al. (2015, October). Effects of the Communities That Care Prevention System on Young Adult Males' and Females' Health-Risk Behaviors 9 Years After Baseline in a Community-Randomized Trial. In Catalano, R. F., (Chair), *Prevention and Intervention in Emerging*

- Adulthood: Using Epidemiology to Improve the Lives of Emerging Adults*. Symposium presented at the 7th annual meeting of the Society for the Study of Emerging Adulthood, Miami, FL.
- Kuklinski MR (2015, May). Benefit-Cost Analysis of Communities That Care: Social Policy Implications in Washington State. In Karoly, L.A. (Chair), *Issues in the Economic Valuation of Prevention and Intervention Outcomes: Implications for Evidence-based Policy and Research*. Symposium presented at the 23rd annual meeting of the Society for Prevention Research, Washington, DC.
- Kuklinski MR, Fagan AA, Hawkins JD, Briney JS, & Catalano RF. (2014, May). Benefit-Cost Analysis of Communities That Care Outcomes Through Grade 12. In Sabrina Oesterle (Chair), *Sustaining a Comprehensive and Coordinated Community Prevention System for Improving Adolescent Health and Behavior: Communities That Care*. Symposium presented at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
- Kuklinski MR (2014, May). Overview of Economic Analysis Strategies in Prevention. In M. R. Kuklinski and D. M. Crowley (Chairs), *Building the Economic Case for Prevention: Methods and Tools for Assessing the Resource Needs and Economic Costs of Preventive Intervention*. Workshop conducted at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
- Kuklinski MR (2014, May). Communities That Care: Methods for Calculating Per Youth Costs in a Multi-Site Multi-Year Randomized Controlled Trial. In M. R. Kuklinski and D. M. Crowley (Chairs), *Building the Economic Case for Prevention: Methods and Tools for Assessing the Resource Needs and Economic Costs of Preventive Intervention*. Workshop conducted at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
- Kuklinski MR (2013, November). The Need for Standards: Lessons from Benefit-Cost Analysis of Communities That Care. Presented at the Institute of Medicine workshop *Standards for Benefit-Cost Analysis of Preventive Interventions for Children, Youth, and Families*, Washington, DC.
- Kuklinski MR, Hawkins JD, Briney JS & Catalano RF. (2013, July). Evaluating Communities That Care with the WSIPP Software Tool. In Richard O. Zerbe (Chair), *Increasing the use of Benefit-Cost Analysis in State Policy Making*. Paper presented at the 88th annual meeting of the Western Economic Association International, Seattle, WA.
- Kuklinski MR., Hawkins JD, Plotnick RD, Abbott RA. & Reid CR. (2013, May). The Economic Downturn and Implementation of Science-Based Prevention by Coalitions in the Community Youth Development Study. In J. David Hawkins (Chair), *Communities That Care: Sustained Effects on System and Youth Outcomes*. Symposium presented at the 21st annual meeting of the Society for Prevention Research, San Francisco, CA.
- Kuklinski MR, Hawkins JD, Briney JS & Catalano RF. (2013, February) *Communities that Care: Benefit-Cost Analysis of Grade 10 Outcomes Using New Models and Methods*. Fifth Annual Conference and Meeting of the Society for Benefit-Cost Analysis, Washington, DC
- Kuklinski MR. (2012, May). Economic Evaluation Within Prevention Science: New Frontiers – Discussant remarks. In D. Max Crowley (Chair), *Economic evaluation within prevention science: New frontiers*. Symposium presented at the 20th annual meeting of the Society for Prevention Research, Washington, D.C.
- Kuklinski MR, Hawkins JD, Plotnick RD, Abbott RA, Reid CR. (2012, May). How has the economic downturn affected communities in the Community Youth Development Study? In J. David Hawkins (Chair), *New Findings from the Community Youth Development Study: The Sustainability of CTC During an Economic Downturn*. Symposium presented at the 20th annual meeting of the Society for Prevention Research, Washington, D.C.
