### PEER REVIEWED GRANTS

#### AWARDED

National Institute of Mental Health \$156,000  
09/01/10-09/01/13

*Principal Investigator*

Conceptions of Mental Illness on the Front-Lines of the Public Mental Health System

The R03 grant proposal is to support protected time for data analysis of a study of front line mental health workers explicit and implicit attitudes and clinical practices that support recovery in the state of Washington based on collected in 2008-2009.

UW Royalty Research Fund \$34,500  
7/16/13-7/16/14

*Principal Investigator*

Framing of News Media Coverage on Suicide, 1991-2012

This grant proposal is for a content analysis to understand how journalists frame news coverage of suicide. It is the first phase of a larger project that includes interviews with journalists and a media effects study to assess the factors that influence coverage and the impacts of coverage on public attitudes and suicidal behavior.

SAMHSA \$306,000  
*Principal Investigator*  
Husky, Hope & Help  
Proposal submitted for a Garrett Lee Smith Campus Suicide Prevention Grant at the University of Washington.

## CONTRACTS

WA State Department of Health \$150,000  
12/12/2007-6/30/2009  
*Principal Investigator*  
Health Disparities: The Case of Tobacco Use  
This contract was to develop a program at the University of Washington on health disparities in tobacco use including the development of a seminar series and internal RFA to support faculty funded pilot research in tobacco-related disparities.

SAMHSA  
WA State Department of Health \$183,700  
11/16/07- 9/30/09  
*Principal Investigator*  
Social Marketing Initiative  
This contract was for the development of a targeted intervention for mental health professionals to promote recovery and to reduce stigma and for the development of a survey of mental health professionals serving clients in community mental health settings.

SAMHSA  
Washington State Mental Health Transformation Grant \$118,000  
10/15/08-10/15/2010  
*Principal Investigator*  
News Bureau Intervention to Refute Mental Illness Stigma  
Funding to develop an intervention to improve the accuracy of news reporting about mental health and illness in the State of Washington. This contract paid for the publication and dissemination of a mental health reporting guide, building a Statewide Coalition of members of the mental health community trained in local media engagement strategies and to conduct media outreach with journalists in news rooms.

SAMHSA  
Washington State Mental Health Transformation Grant \$216,129  
9/30/09-10/15/10  
*Principal Investigator*  
Pilot Evaluation of the Journey to Life Wellness  
This contract was to complete an evaluation of a new clinical treatment program designed to promote recovery from chronic and severe mental illnesses called the Journey to Life Wellness in collaboration with Navos and Valley Cities Clinic & Consultation Mental Health Agencies.

WA State DSHS

7/1/11-7/1/13

*Co-Principal Investigator*

\$161,000

Funding to provide assistance to a public psychiatric hospital to improve policy and services to better serve patients with tobacco dependence.

### **ADVANCEMENT FUNDING**

Matt Adler Fund

\$75,000

2/18/11-1/18/12

Ran a capital fundraising campaign to raise funding for the start-up Forefront: Innovations in Suicide Prevention a new non-profit at the UW that advances innovative approaches in suicide prevention through policy change, professional training campus and school-based intervention, media outreach and on-going evaluation.

Forefront Launch Event

\$125,000

9/10/13

Oversaw Launch Celebration and Fundraiser for Forefront: Innovations in Suicide Prevention that was attended by over 300 people.
