

For Individual Grantseekers
Statement of Purpose Worksheet

What are you trying to accomplish?
How are you going to accomplish it?
What stage are you at now, and how long will it take you?
Who will benefit from your project other than yourself or the general public?
How much money will you need and for what types of expenditures?
Are there non-cash forms of support you could use?
What conditions of support or strings attached to funding would you be comfortable with?
