

Margaret Kuklinski, PhD

Social Development Research Group
School of Social Work
University of Washington

9725 Third Avenue NE, Suite 401
Seattle, WA 98115
email: mrk63@uw.edu

Education

- | | | |
|------|-----|-----------------------------------------------------------------------------|
| 1997 | PhD | University of California, Berkeley, CA
Clinical and Community Psychology |
| 1992 | MA | University of California, Berkeley, CA
Clinical and Community Psychology |
| 1985 | AB | Harvard University, Cambridge, MA
Economics, <i>magna cum laude</i> |

Expertise and Interests

Substance use prevention and positive youth development; prevention program dissemination, efficacy, and effectiveness in multiple settings and populations; community-based prevention; prevention health economics (cost, cost-effectiveness, benefit-cost analysis); equitable reach of preventive interventions.

Skills and expertise: Health economic methods (cost, cost-effectiveness, benefit-cost analysis); Communities That Care prevention framework, an evidence-based system for community-driven prevention

Academic Appointments and Professional Positions

Current Appointments

- | | |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| 2022- | Endowed Associate Professor of Prevention in Social Work , School of Social Work, University of Washington |
| 2022- | Director, Center for Communities That Care , Social Development Research Group, School of Social Work, University of Washington, Seattle, WA |
| 2021- | Director, Social Development Research Group , School of Social Work, University of Washington, Seattle, WA |

Prior Positions

- | | |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 2021-2022 | Associate Professor, Social Development Research Group, School of Social Work, University of Washington, Seattle, WA |
| 2021 | Research Associate Professor, Social Development Research Group, School of Social Work, University of Washington, Seattle, WA |
| 2020- 2021 | Assistant Director and Senior Research Scientist, Social Development Research Group, School of Social Work, University of Washington, Seattle, WA |
| 2010-2020 | Research Scientist, Social Development Research Group, School of Social Work, University of Washington, Seattle, WA |
| 1998-2001 * | Research Associate, Depression Family Study, Department of Psychiatry, University of Washington, Seattle, WA |

*Professional leave from 2001-2009 to be my children's primary caregiver.

Invited Service, Honors, and Recognition

- | | |
|-----------|---------------------------------------------------------------------------------------------------------------------------------------------|
| 2024-2025 | Invited Member, National Behavioral Health Advisory Board for the Ballmer Institute for Children's Behavioral Health, University of Oregon. |
|-----------|---------------------------------------------------------------------------------------------------------------------------------------------|

- 2023-2025 Invited Member, Consensus Panel, Blueprint for a National Prevention Infrastructure for Behavioral Health Disorders. Board on Children, Youth, and Families, National Academy of Sciences, Engineering, and Medicine [nationalacademies.org/our-work/blueprint-for-a-national-prevention-infrastructure-for-behavioral-health-disorders](https://www.nationalacademies.org/our-work/blueprint-for-a-national-prevention-infrastructure-for-behavioral-health-disorders).
- 2023-2026 Invited Member, Board on Children, Youth, and Families, National Academy of Sciences, Engineering, and Medicine
- 2023-2026 Chair, Metrics Workgroup, Board on Children, Youth, and Families, National Academy of Sciences, Engineering, and Medicine
- 2023 Lewayne D. Gilchrist SSW PhD Mentor Award, School of Social Work, University of Washington
- 2022, 2023 Commendations for Outstanding Teaching Evaluations, School of Social Work, University of Washington
- 2022 Invited Member, Planning Committee for a workshop on *Family-Focused Interventions to Prevent Substance Use Disorders in Adolescence*. National Academies of Sciences, Engineering and Medicine, Division of Behavioral and Social Sciences and Education. The workshop resulted in this report:
 National Academies of Sciences, Engineering, and Medicine (2022). *Family-Focused Interventions to Prevent Substance Use Disorders in Adolescence: Proceedings of a Workshop*. Washington, DC: The National Academies Press.
<https://doi.org/10.17226/26662>
- 2020-2025 Co-Chair, Health Economics Working Group, NIDA HEAL Prevention Initiative
- 2019-2022 Elected Board Member and Secretary, Society for Prevention Research
- 2014-2018 Invited Member, Mapping Advances in Prevention Science Task Force III, Advancing the Quality and Use of Economic Analysis in Prevention, Society for Prevention Research. The Task Force produce this peer-reviewed standards document:
 Crowley, D. M., Dodge, K. A., Barnett, W. S., Corso, P., Duffy, S., Graham, P., Greenberg, M. T., Haskins, R., Hill, L., Jones, D. E., Karoly, L., Kuklinski, M. R., & Plotnick, R. (2018). Standards of evidence for conducting and reporting economic evaluations in prevention science. *Prevention Science, 19*, 366-390.
- 2014-2016 Invited Member, Consensus Panel, The Use of Economic Evidence to Inform Investments in Children, Youth, and Families, National Academy of Medicine. The panel produced this peer-reviewed consensus study:
 National Academies of Sciences, Engineering, and Medicine (2016). *Advancing the Power of Economic Evidence to Inform Investments in Children, Youth, and Families*. Washington, DC: The National Academies Press.
- 2010-2013 Professional Re-entry Supplement to the *Community Youth Development Study: A Test of Communities That Care - Economic Analysis of Communities That Care* (3R01DA015183-08S1, Hawkins), National Institute on Drug Abuse
- 1993-1995 National Research Service Award Pre-doctoral Fellowship, National Institute of Mental Health
- 1991-1992 Regents Fellowship, Department of Psychology, University of California at Berkeley
- 1984-1985 John Harvard Scholar, Harvard University

Grants and Contracts

- 2024-2028 **Collaborative to Understand Impacts of Early Preventive Interventions on Suicide and Overdose Mortality Using Data Harmonization Methodology.** (U01MH137067, Connell/Epstein/Morgan-Lopez/Musci/Wilcox). Total costs: \$11,500,000. Role: Investigator.

- 2023-2028 **Delivering Evidence-Based Parenting Services to Families in Child Welfare Using Telehealth** (R01, Oxford, NICHD). Total funding: \$3,860,000. Role: Investigator.
- 2022-2027 **Randomized Controlled Trial of an Internet-Based Prevention Intervention for Young Children At-Risk for Functional Abdominal Pain** (R01HD107794, Levy/Palermo, NICHD). Total funding: \$3,280,000. Role: Investigator.
- 2022-2025 **Northwest Center for Family Support: Building Statewide Capacity to Implement Evidence-Based Interventions in Families with Opioid Use Disorder** (Foundation for Opioid Response Efforts). Total funding: \$1,650,000. Role: PI.
- 2022-2023 **Supplement to Guiding Good Choices for Health** (UH3AT009838, Kuklinski/Sterling, NCCIH). Total funding: \$250,000. Role: Co-PI.
- 2021-2026 **Quality Improvement Center on Engaging Youth in Finding Permanency** (Day, Administration for Children & Families' Children's Bureau). Total funding: \$20,000,000. Role: Investigator.
- 2021-2024 **A Pilot Test of a Brief eHealth Parent-focused Prevention Intervention With Parents Referred From Primary Care Clinics** (1 R34MH124690-01A1, Mehus, NIMH). Total funding: \$700,000. Role: Advisory Board.
- 2021-2024 **Proposed Transition of the Results First Assets to the PSU Evidence-to-Impact** (Crowley/Jones, Pew Charitable Trusts). Total funding: \$3,600,000. Role: Advisory Board.
- 2020-2023 **Culture, Longitudinal Patterns, and Safety Promotion of Handgun Carrying Among Rural Adolescents: Implications for Injury Prevention** (Rowhani-Rahbar, CDC). Total funding: \$1,700,000. Roles: Site-PI, Investigator.
- 2020-2023 **Coach Facilitated Mobile Parent-Training Program for Women with Cognitive Delays who are Mothers of Infants** (R324A200153, Feil/Davis/Landry, IES). Total funding: \$1,400,000. Role: Advisory Board Member.
- 2019-2024 **Using SMART Design to Identify an Effective and Cost-Beneficial Approach to Preventing OUD in Justice-Involved Youth** (UHDA050189, Ahrens/Haggerty, NIDA). Total funding: \$4,980,000. Role: Investigator.
- 2019-2023 **Motivational Interviewing Skills for Coaches** (R32A190173, Scott/Frey, IES). Total funding: \$1,400,000. Role: Advisory Board Member.
- 2019-2021 **Proximal and Distal Pathways to Young Adult Opioid Misuse** (R01DA044522-16S1, Oesterle/Kuklinski, NIDA). Total funding: \$100,000. Role: Co-PI.
- 2019-2021 **Extending the Delivery of Guiding Good Choices to Spanish-speaking Parents in Primary Care: Administrative Supplement to the Guiding Good Choices for Health Study** (UH3AT009838-02S1, Kuklinski/Sterling, NCCIH). Total funding: \$100,000. Role: Co-PI.
- 2018-2023 **The Interplay of Social, Normative, and Legal Marijuana Environments and Marijuana and ATOD Use from Late Childhood to Young Adulthood** (DA044522-19, Oesterle/Kuklinski, NIDA). Total funding: \$4,200,000. Role: Co-PI.
- 2018-2023 **A Pragmatic Trial of Parent-focused Prevention in Pediatric Primary Care: Implementation and Adolescent Health Outcomes in Three Health Systems** (UH3AT009838, Kuklinski/Sterling, NCCIH). Total funding: \$6,600,000. Role: Co-PI.
- 2017-2018 **Long-term Effects of Communities That Care on Young Adults from Small Towns** (Bridge funding: R56DA044522-11A1, Oesterle/Hawkins, NIDA). Total funding: \$350,000. Roles: Project Director, Co-Investigator.
- 2015-2019 **Preschool First Step to Success: An Efficacy Replication Study** (R324A150221, Feil/Walker, IES). Total funding: \$3,500,000. Role: Consultant.

- 2014-2019 **Early Family Prevention of Adolescent Alcohol, Drug Use and Psychopathology** (R01 DA036832-1A1, Dishion/Shaw/Wilson, NIDA). Total funding: \$7,600,000. Role: Economic Evaluation Scientist.
- 2013-2017 **Long-term Effects of Communities That Care on Young Adults from Small Towns** (R01DA015183, Oesterle/Hawkins, NIDA). Total funding: \$5,000,000. Roles: Project Director, Investigator.
- 2012-2014 **Seattle Public Schools High School Graduation Initiative Evaluation** (Seattle Public Schools, Kuklinski). Total funding: \$470,000. Role: PI.
- 2010-2017 **Social Work Intervention Training for Maltreating Families of Infants, Toddlers** (R01HD061362, Oxford, NICHD). Total funding: \$1,800,000. Role: Investigator.
- 2010-2013 **Economic Analysis Supplement: “The Community Youth Development Study: A Test of Communities That Care** (R01DA015183-08S1, Hawkins, NIDA). Total funding: \$320,000. Role: Investigator.
- 1998-2003 **Treatment of Depression in Parents: Impact on Children** (R01MH057834-05, McCauley, NIMH). Total funding: \$1,690,000. Role: Clinical interviewer.
- 1993-1995 **A Longitudinal Look at Teacher Expectations** (5F31MH10534-02, Kuklinski, NIMH) Total funding: \$25,000. Role: PI.

Under Review

1. **Amplifying Community-Led Prevention to Accelerate Youth Mental and Behavioral Health** (MacArthur Foundation *100&Change* opportunity, **Kuklinski** – limited submission requiring UW Foundation Relations approval). Total costs: \$100,000,000. Role: PI.
2. **Substance Use Among Established Adults in the Lifecycle of COVID-19: Implications for Prevention and Disaster Preparedness** (NIDA R01, **Kuklinski/Oesterle**). Total costs: \$4,929,949. Role: Co-PI.
3. **Washington State Collaborative Center of Excellence for Substance Use Prevention and Mental Health Promotion.** (Contract with Washington Health Care Authority Division of Behavioral Health and Recovery, **Kuklinski**). Total Costs: \$180,000. Role: PI.
4. **Enhancing the Risk and Protective Factor Framework for Prevention** (NIDA R01, Eisenberg/Bailey). Total Costs: \$5,580,000. Role: Investigator.
5. **What Changes in Alcohol Availability will be Required to Achieve Australia’s Targeted 10% Reduction in Alcohol Use by Young People?** (Ideas grant, National Health and Medical Research Council, Australia, Rowland). Total costs: \$AUD 1,160,000. Role: Chief Investigator.
6. **EHR-Supports to Prevent Teen Substance Use in Pediatric Primary Care** (NIDA R61/R33, Camenga). Total direct costs: \$3,350,000. Role: Investigator.
7. **Implementing and Testing a Parent-Focused Alcohol Prevention Program for Hispanics in Faith-Based Settings** (NIDA R34, Montero-Zamora). Total direct costs: \$450,000. Role: Investigator.

Professional Presentations

Invited Presentations

1. **Kuklinski, M. R.** & Maynard, R. A. (2024, October – pending). *Incorporating Outcomes into Economic Evaluation.* Presentation for the 2024 Methods Meeting of the Administration for Children and Families Office of Planning, Research, and Evaluation.
2. **Kuklinski, M. R.** (2024, September). The Opioid Crisis and Prevention: Supporting Families Affected by Opioid Use Disorder Through the Northwest Center for Family Support. Invited panel discussion in *Opioid Crisis in Focus: Election Year Insights and Solutions* (Ken Shatzkes, Moderator). Foundation for Opioid Response Efforts, Washington, DC.
3. **Kuklinski, M. R.** (2023, December). *Sometimes More is Better: Cost Effectiveness of Single- and Multi-Component Interventions for Students with Disruptive Behavior Problems.* NIH Behavioral and Social Sciences Research Festival.
4. **Kuklinski, M. R.** (2023, May). *Unleashing the Power of Prevention to Enhance Well-Being Across the Lifespan.* National Center for Complementary and Integrative Health: Integrative Medicine Lecture Series.

5. **Kuklinski, M. R.** & Sterling, S. A. (2023, March). *Adoption, Implementation, and Sustainment of Family-focused Prevention in Health Care Systems: How do we Get There?* Presentation to the NIH Pragmatic Trials Collaboratory Grand Rounds.
6. **Kuklinski, M. R.** & Hawkins, J. D. (2021, September). *Using Prevention Science To Guide Community Action: Long-term Effects of Communities That Care on Positive Youth Development.* Conversations on Youth Symposium, Ministry of Social and Family Development, Singapore.
7. **Kuklinski, M. R.** (2021, April). *Guiding Good Choices for Health: Offering Universal Family-Focused Prevention to Parents of Adolescents in Pediatric Primary Care.* Prevention Science Methods Group Virtual Grand Rounds, Northwestern University.
8. **Kuklinski, M. R.** (2021, January). *Strategies for Increasing the Reach and Impact of Evidence-Based Prevention.* Leaders in Prevention Science Speaker Series, Social Development Research Group, School of Social Work, University of Washington.
9. **Kuklinski, M. R.,** Sterling, S. A., & Catalano, R. F. (2020, March). *Guiding Good Choices for Health (GGC4H): Supporting Teen Health and Wellbeing through Parent-focused Prevention in Pediatric Primary Care.* Presented at the quarterly meeting of the Washington State Prevention Research Sub-Committee.
10. **Kuklinski, M. R.** & Catalano, R. F. (2019, May). *Childhood Screening: Considering the Importance of Social Context.* Paper presented at Methods for Assessing the Impact of Screening in Childhood on Health Outcomes, National Institutes of mental Health, Bethesda, MD.
11. **Kuklinski, M. R.,** Hawkins, J. D., & Counts, N. Z. (2018, December). *Return On Investment In Parenting Programs Suitable For Delivery In Primary Care: A Systematic Review.* National Academy of Sciences Collaborative on Healthy Parenting in Primary Care.
12. **Kuklinski, M. R.** (2015, December). *Building the Economic Case for Prevention and Intervention for Children, Youth, and Families: Overview, Opportunities, and Issues for the Field.* Invited Colloquium, Department of Psychology, Arizona State University.
13. **Kuklinski, M. R.** (2013, November). *The Need for Standards: Lessons from Benefit-Cost Analysis of Communities That Care.* Presented at the Institute of Medicine workshop: Standards for Benefit-Cost Analysis of Preventive Interventions for Children, Youth, and Families, Washington, DC.

Conference Presentations

1. **Kuklinski, M. R.** (Chair, 2024, September). *Next Steps for Communities That Care: Developing a Cross-National Research and Action Agenda (Kuklinski, Groger-Roth, & Toumbourou, Chairs).* Roundtable discussion to be held at the 15th European Society for Prevention Research Conference, Cremona, Italy.
2. **Kuklinski, M. R.** (2024, September). *Using Prevention Science To Guide Community Action: Long-term Effects of Communities That Care on Positive Youth Development.* In *Getting Started with Communities That Care: An Interactive Orientation to the Framework's Foundations and Key Elements for Implementation* (Eisenberg, E., & Groger-Roth, F., Chairs). Workshop to be presented at the 15th European Society for Prevention Research Conference, Cremona, Italy.
3. **Kuklinski, M. R.** (2024, August). *Using Prevention Science to Support Community Action: Long-term Effects of Communities That Care on Positive Youth Development.* Paper to be presented at the 2024 National Prevention Network meeting, Phoenix, AZ.
4. Leighty, J. L., **Kuklinski, M. R.,** & Gatsby, A. (2024, July). *Northwest Center for Family Support (NCFS): Supporting Caregivers in OUD Recovery and Promoting Prevention for Youth.* Paper to be presented at the Region 10 Opioid Summit, Boise, ID.
5. Danzo, S., **Kuklinski, M. R.,** Sterling, S. A., Beck, A., Braciszewski, J. M., Boggs, J., et al. (2024, May). *Mental Health Problems among Early Adolescents During the COVID-19 Pandemic: Applying Findings to Support Youth.* SPR Poster presented at the 32nd annual meeting of the Society for Prevention Research, Washington, D.C.

6. Halvorson, M. A., **Kuklinski, M. R.**, Bailey, J. A., Caouette, J. D., Guttmanova, K., Rhew, I. C., and Oesterle, S. (2024, May). *Young Adults with a History of Substance Use Disorder Experienced More Negative Mental Health, Social, and Economic Outcomes During the COVID-19 Pandemic Period*. SPR Paper presented at the 32nd annual meeting of the Society for Prevention Research, Washington, D.C.
7. Scheuer, H., Eisenberg, N., **Kuklinski, M. R.**, Danzo, S., Caouette, J., Beck, A., et al. (2024, May). *Changes in Parenting Attitudes and Knowledge after Virtual implementation of Guiding Good Choices*. Poster presented at the 32nd annual meeting of the Society for Prevention Research, Washington, D.C.
8. **Kuklinski, M.R.**, et al. (2024, January). Investing in Interventions to Prevent Opioid Use Disorder in Adolescents and Young Adults: Start-up Costs from NIDA's HEAL Prevention Initiative. In *Game-Changing Research in Youth and Early Adulthood Opioid Misuse Prevention: Examples of Innovation from the HEAL Prevention Cooperative* (Graham, P., Chair). Symposium presented at the 20th SAMHSA Prevention Day, National Harbor, MD.
9. **Kuklinski, M.R.**, McCollister, K. (2023, October). Investing in Interventions to Prevent Opioid Use Disorder in Adolescents and Young Adults: Start-up Costs from NIDA's HEAL Prevention Initiative. 31. Rhew, I. C., Briney, J. S., Guttmanova, K. A., Pandika, D., **Kuklinski, M. R.**, & Oesterle, S. (2022, June). Associations of negative and positive experiences during the COVID-19 pandemic with perceived changes in substance use among young adults. In Kuklinski, M. R. (Chair), *Changes in Young Adult Alcohol and Cannabis Use during the COVID-19 Pandemic: Associations with COVID-19-Related Stressors*. Symposium presented at the 30th annual meeting of the Society for Prevention Research, Seattle, WA.
32. Rhew, I. C., Cadigan, J., Guttmanova, K. A., Caouette, J., **Kuklinski, M. R.**, & Oesterle, S. (2022, June). Effects of loneliness on alcohol and cannabis use frequency and problematic use among young adults. In Rhew, I. C. (Chair), *Longer- and Shorter-term Associations of Loneliness with Substance Use and Related Outcomes Before and During the Pandemic*. Symposium presented at the 30th annual meeting of the Society for Prevention Research, Seattle, WA.
33. **Kuklinski, M. R.** (Chair), Sterling, S. A., & Daley, M. (2020, May). Roundtable discussion: *Disseminating Evidence-Based Preventive Interventions in Pediatric Primary Care: Lessons from the NIH Healthcare Systems Research Collaboratory and Guiding Good Choices for Health Pragmatic Trial*. Annual meeting of the Society for Prevention Research, Washington, DC.
34. **Kuklinski, M. R.**, Sterling, S. A., & Catalano, R. F. (2020, April). MPI Kuklinski was scheduled to present on GGC4H as part of a panel entitled *Guiding Good Choices: Adaptations for Context*. The Blueprints Conference, Denver, CO.
35. **Kuklinski, M. R.**, Sterling, S. A., & Catalano, R. F. (2019, May). *Guiding Good Choices for Health (GGC4H): Early Lessons from a Pragmatic Trial in Three Large Healthcare Systems*. Annual meeting of the Society for Prevention Research, San Francisco, CA.
36. **Kuklinski, M. R.**, Oesterle, S., Briney, J. S., & Hawkins, J. D. (2018, May). *More Evidence That CTC Is a Good Investment: Benefit-Cost Analysis of Communities That Care Effects on Primary Intervention Outcomes at Age 23*. Annual meeting of the Society for Prevention Research, Washington, DC.
37. Catalano, R. F., **Kuklinski, M. R.**, & Sterling, S. A. (2018, May). *Parents, Pediatricians, and Prevention: Pathways to Adolescent Health*. Presentation to the NIDA Clinical Trials Network, Bethesda, MD.
38. Catalano, R. F., **Kuklinski, M. R.**, & Sterling, S. A. (2018, December). *Guiding Good Choices for Health (GGC4H): Testing the Feasibility and Effectiveness of Implementing Guiding Good Choices in Three Healthcare Systems*. NIH Collaboratory Grand Rounds.
39. **Kuklinski, M. R.** & Oesterle, S. (2016, May). Community prevention in small and rural towns: A comparison of behavioral health problems in young adult movers and stayers at age 21. In Oesterle, S. (Chair), *The Transition to Young Adulthood in Youth From Small and Rural Towns*. Symposium presented at the 24th annual meeting of the Society for Prevention Research, San Francisco, CA.
40. **Kuklinski, M. R.**, Oesterle, S., Hawkins, J. D., et al. (2015, October). Effects of the Communities That Care prevention system on young adult males' and females' health-risk behaviors 9 years after baseline in a community-randomized trial. In Catalano, R. F., (Chair), *Prevention and Intervention in Emerging Adulthood: Using Epidemiology to Improve the Lives of Emerging Adults*. Symposium presented at the 7th annual meeting of the Society for the Study of Emerging Adulthood, Miami, FL.
41. **Kuklinski, M. R.** (2015, May). Benefit-cost analysis of Communities That Care: Social policy implications in Washington State. In Karoly, L. A. (Chair), *Issues in the Economic Valuation of Prevention*

- and Intervention Outcomes: Implications for Evidence-based Policy and Research*. Symposium presented at the 23rd annual meeting of the Society for Prevention Research, Washington, DC.
42. **Kuklinski, M. R.**, Fagan, A. A. Hawkins, J. D., Briney, J. S., & Catalano, R. F. (2014, May). Benefit-cost analysis of Communities That Care outcomes through grade 12. In Oesterle, S. (Chair), *Sustaining a Comprehensive and Coordinated Community Prevention System for Improving Adolescent Health and Behavior: Communities That Care*. Symposium presented at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
 43. **Kuklinski, M. R.** (2014, May). Overview of economic analysis strategies in prevention. In Kuklinski, M. R. & Crowley, D. M. (Chairs), *Building the Economic Case for Prevention: Methods and Tools for Assessing the Resource Needs and Economic Costs of Preventive Intervention*. Workshop conducted at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
 44. **Kuklinski, M. R.** (2014, May). Communities That Care: Methods for calculating per youth costs in a multi-site multi-year randomized controlled trial. In Kuklinski, M. R. & Crowley, D. M. (Chairs), *Building the Economic Case for Prevention: Methods and Tools for Assessing the Resource Needs and Economic Costs of Preventive Intervention*. Workshop conducted at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.
 45. **Kuklinski, M. R.**, Hawkins, J. D., Briney, J. S., & Catalano, R. F. (2013, July). Evaluating Communities That Care with the WSIPP software tool. In Zerbe, R. O. (Chair), *Increasing the use of Benefit-Cost Analysis in State Policy Making*. Paper presented at the 88th annual meeting of the Western Economic Association International, Seattle, WA.
 46. **Kuklinski, M. R.**, Hawkins, J. D., Plotnick, R. D., Abbott, R. A., & Reid, C. R. (2013, May). The economic downturn and implementation of science-based prevention by coalitions in the Community Youth Development Study. In Hawkins, J. D. (Chair), *Communities That Care: Sustained Effects on System and Youth Outcomes*. Symposium presented at the 21st annual meeting of the Society for Prevention Research, San Francisco, CA.
 47. **Kuklinski, M. R.**, Hawkins, J. D., Briney, J. S., & Catalano, R. F. (2013, February). *Communities That Care: Benefit-Cost Analysis of Grade 10 Outcomes Using New Models and Methods*. Fifth Annual Conference and Meeting of the Society for Benefit-Cost Analysis, Washington, DC.
 48. **Kuklinski, M. R.** (2012, May). Economic evaluation within prevention science: new frontiers – Discussant remarks. In Crowley, D. M. (Chair), *Economic Evaluation within Prevention Science: New Frontiers*. Symposium presented at the 20th annual meeting of the Society for Prevention Research, Washington, DC.
 49. **Kuklinski, M. R.**, Hawkins, J. D., Plotnick, R. D., Abbott, R. A., & Reid, C. R. (2012, May). How has the economic downturn affected communities in the Community Youth Development Study? In Hawkins, J. D. (Chair), *New Findings from the Community Youth Development Study: The Sustainability of CTC During an Economic Downturn*. Symposium presented at the 20th annual meeting of the Society for Prevention Research, Washington, DC.

Student Mentoring and Committee Service

Formal Mentoring

- 2024- Alanna Feltner, SSW doctoral student primary mentor, School of Social Work, University of Washington
- 2020-2024 Hannah Scheuer, SSW doctoral student primary mentor, School of Social Work, University of Washington
- 2020-2022 Courtenay Morsi, PhD, Assistant Professor, Department of Counseling, Educational Psychology, and Education Michigan State University, Society for Prevention Research Early Career Fellows Program
- 2020-2021 Joey Merrin, PhD, Assistant Professor, Department of Human Development and Family Studies, Texas Tech University, Society for Prevention Research Early Career Fellows Program
- 2020-2021 Tori Leder, MSW, practicum student, School of Social Work, University of Washington
- 2013-2015 Daniel Gagnon, MSW MPH, research practicum student, School of Social Work and School of Public Health, University of Washington

Committee Service

- 2022-2023 Chair, Qualifying Paper Committee – Hannah Scheuer, SSW doctoral student
- 2022 Graduate School Representative, Dissertation Committee – Wisal Ahmed, PhD, Department of Global Health, University of Washington
- 2022 Chair, Second Year Exam Committee – Hannah Scheuer, SSW doctoral student

Teaching

Coursework

- 2022- SSW 553: Policy Implementation and Organizations, required doctoral seminar, School of Social Work, University of Washington

Workshops and Webinars

- 2024 National Center for Complementary and Integrative Health's (NCCIH) continuing medical education, *"Unleashing the Power of Prevention To Enhance Well-Being Across the Lifespan,"* Online Continuing Education Series, <https://www.nccih.nih.gov/training/videlectures>.
- 2022-2023 Chair, *Prevention and Health Promotion for Positive Youth Development: A Webinar Series for Substance Use Disorder Treatment Clinicians and Other Professionals Serving Youth.* Sponsored by the Washington Health Care Authority and conducted in partnership with the Center for the Application of Substance Abuse Technologies University of Nevada Reno.
- 2022 Using Cost-effectiveness Analysis to Foster Dissemination of Effective Preventive Interventions. In D. Max Crowley (Chair), *From Programs to Policy: The Role of Economic Evaluation in Prevention, "Cost-Effectiveness Analysis.* NIH HEAL (Helping to End Addiction Long-term) Initiative.
- 2022 Chair, Getting Started: Engaging Key Leaders and a Broad Coalition. Center for Communities That Care. In Dustin Pardini (Workshop Chair), *Data-driven Prevention Using the CTC Youth Survey.* Arizona State University.
- 2017 Co-Chair, *Prevention in Pediatric Primary Care: Strategies for Expanding the Reach of Family-focused Prevention Programs to Achieve Broad Public Health Impact.* (J. David Hawkins, PhD, Margaret Kuklinski, PhD, and Guillermo J. Prado, PhD). Workshop conducted at the 25th annual meeting of the Society for Prevention Research, Washington, DC.
- 2015 External Training Faculty, Drug Abuse Prevention T32 (NIDA), *Workshop: Economic Analysis of Prevention* (Nancy Chassin, PhD, and Tom Dishion, PhD), Department of Psychology and Reach Institute, Arizona State University.
- 2014 Co-Chair, *Building the Economic Case for Prevention: Methods and Tools for Assessing the Resource Needs and Economic Costs of Preventive Intervention* (D. Max Crowley, PhD, and

Margaret Kuklinski, PhD). Workshop conducted at the 22nd annual meeting of the Society for Prevention Research, Washington, DC.

Guest Lectures

- Spring 2024 *Investing Strategically to Prevent Opioid Use Disorder: The Role of Economic Evaluation*. Science. Washington State University.
- Fall 2022 *Investing Strategically to Prevent Opioid Use Disorder: The Role of Economic Evaluation*. SPH HSERV 522 - Health Program Evaluation (Sarah Knerr, PhD), School of Public Health, University of Washington.
- Fall 2022 *Using Prevention Science to Guide Community Action: Long-term Effects Of Communities That Care on Positive Youth Development*. PSYC 636 - Primary Prevention (Sophia Wang, PhD), Department of Psychology, University of Maryland Baltimore County.
- Fall 2022 *Investing Strategically to Prevent Substance Misuse and Promote Health and Wellbeing: The Role of Health Economics*. R25 Training Program, HEALTH-FAST ATOD Speaker Series, HEALTH Research Institute, University of Houston.
- Spring 2021 *Improving Lives Through Preventive Intervention: Why Health Economics Matters*. Prevention Science 540 - Effective Prevention Strategies II (Amy Salazar, PhD), Washington State University.
- Spring 2021 *Health Economics in Policy and Practice: Applications to Social Work*. Soc WI 573 - Doctoral Pro Seminar: Cross-Cohort Collaborative Research Career Development (Paula Nurius, PhD), School of Social Work, University of Washington.
- Spring 2020 *Introduction to Economic Evaluation Methods: Lessons from a Benefit-Cost Analysis of Promoting First Relationships®*. Prevention Science 540 - Effective Prevention Strategies II (Amy Salazar, PhD), Washington State University.
- Spring 2020 *Efficiency Evaluations: Using Health Economics to Support Investments in Evidence-based Programs for Children, Youth, and Families*. SWG 623 - Program Evaluation (Sabrina Oesterle, PhD), Watts College of Public Service & Community Solutions, Arizona State University.
- Winter 2019 *Building the Economic Case for Prevention: Overview, Opportunities, and Issues for the Field*. SOCW 506 - Social Welfare Research and Evaluation (Katarina Guttmanova, PhD), School of Social Work, University of Washington.
- Spring 2012 *Communities that Care is a Good Investment*. PBAF 518 – Applied Cost-Benefit Analysis (Richard Zerbe, PhD), Evans School of Public Policy, University of Washington.

Professional Service

School of Social Work

- 2024-2025 Chair, Review, Promotions, and Tenure Committee
- 2023- Member, Planning Committee, Annual Planning Day, Social Development Research Group
- 2022-2024 Review, Promotions, and Tenure Committee
- 2021- Professional Development Mentor, Kristian Jones, Assistant Professor
- 2020 Member, 5-Year Strategic Planning Committee, Social Development Research Group
- 2013- Member, Executive Committee, Social Development Research Group
- 2012-2014 Chair, Dissemination Committee, Social Development Research Group
- 2011 Chair, Annual Planning Day Committee, Social Development Research Group

University of Washington

- 2022 Committee Member, Periodic Review of Executive Team Members and Center Directors: Monica Oxford, PhD, Executive Director, The Barnard Center for Infant and Early Childhood Mental Health, School of Nursing, University of Washington.

2022 Focus Group Member, Empowering Those Who Foster the Public Good, Population Health Initiative, University of Washington.

External Service

Boards, Task Forces, Steering Committees, Guest Editorships

2024- Co-chair, Washington State Prevention Research Council, Washington Health Care Authority.
 2024-2026 Mentor to Vi Le, PhD, Early Career Reviewer Program, *Prevention Science*.
 2024-2025 Invited Member, National Behavioral Health Advisory Board for the Ballmer Institute for Children's Behavioral Health, University of Oregon.
 2024-2025 Invited Member, Consensus Panel, Blueprint for a National Prevention Infrastructure for Behavioral Health Disorders. Board on Children, Youth, and Families, National Academy of Sciences, Engineering, and Medicine nationalacademies.org/our-work/blueprint-for-a-national-prevention-infrastructure-for-behavioral-health-disorders.
 2023 Invited Member, SAMHSA Expert Panel on Substance Use Prevention in Alternative Payment Models
 2023-2024 Invited Member, Board on Children, Youth, and Families, National Academy of Sciences, Engineering, and Medicine
 2022- Prevention Advisory Board, Partnership to End Addiction.
 2022- Committee to Advance Prevention Solutions to the Opioid Crisis (CAPSOC)
 2022-2023 Task Force Member, Five-Year Strategic Plan, Society for Prevention Research.
 2020 Member, Early Career Fellows Selection and Mentoring Committee, Society for Prevention Research.
 2019-2022 Member, Program Committee, Annual Conferences of the Society for Prevention Research.
 2016- Member, Editorial Board, *Journal of Benefit-Cost Analysis*.
 2016 Member, Program Committee, 9th Annual Conference of the Society for Benefit-Cost Analysis.
 2015 Guest Editor, Special Issue, *Benefit-cost analysis of prevention and intervention programs for youth and young adults*, *Journal of Benefit-Cost Analysis*, 6(3).
 2015- External Training Faculty, Drug Abuse Prevention T32 (NIDA), Department of Psychology and Reach Institute, Arizona State University.
 2014-2018 Steering Committee Member, Prevention Economics Planning and Research Network.

Subject Matter Expertise

2023 Subject Matter Expert, Substance use prevention leadership meeting, Office of National Drug Control Policy, held in preparation for the release of the 2022 *National Drug Control Strategy*.
 2022 Focus Group Member, California Resilient Parenting Project.
 2022 Substance Use Prevention Expert, Substance use prevention leadership meeting, Office of National Drug Control Policy, held in preparation for the release of the 2022 *National Drug Control Strategy*.
 2021 Subject Matter Expert, Centers for Disease Control and Prevention, Division of Violence Prevention, expansion of *Essentials for Parenting* resources for parents of teenagers.

Grant Reviews

2023 NCCIH Special Emphasis Review Panel Member, *Fostering Mental, Emotional, and Behavioral (MEB) Health Among Children in School Settings: Opportunities for Multisite Trials of Complementary and Integrative Health Interventions (Clinical Trial Optional)*.

- 2022 NIDA Special Emphasis Review Panel Member, *NIDA HEAL Initiative: Preventing Opioid Misuse and Co-Occurring Conditions by Intervening on Social Determinants*.
- 2021 External Reviewer, Discovery and Innovation Grant Application, University of Wisconsin-Milwaukee.

External Faculty Reviews and Promotions

- 2023 External Reviewer, Promotion to Associate Professor: Pamela Matson, PhD, MPH, Assistant Professor, Division of Adolescent and Young Adult Medicine, Department of Pediatrics, Johns Hopkins University School of Medicine.
- 2023 External Reviewer, Promotion to Associate Research Professor: Christine Steeger, PhD, Assistant Research Professor, Institute of Behavioral Sciences, University of Colorado, Boulder
- 2022 Senior Referee, Promotion to Principal Research Fellow: Jessica M. Heerde, PhD, Department of Pediatrics Royal Children's Hospital, University of Melbourne, Melbourne Australia.
